

# Mark Carter

23<sup>rd</sup> February 1971  
14<sup>th</sup> April 2004

I would like to thank you for your friendship and support during the tragic loss of my beautiful husband, Mark. I have appreciated the cards, flowers, messages of support, emails, texts and donations to the LifeLink Organ Donation Network.

Mark was a passionate man, achieving much in his short time with us. Live your life, remembering his passion and appreciate every moment you spend with those you love.

Janelle xxx
