

# Invitation

The Griffith Cycle Club invites all masters aged licensed riders to travel to Griffith on 27-29 September to compete in the **[YellowTail] Visy NSW Masters Road Championships 2014**.

The weekend was selected so that it gave a perfect lead in to the National Masters Road Championships to be held in Ballarat commencing Thursday 2 October. Two championships over a nine day period. Perfect for that training program.

All interstate riders are eligible to compete provided they have a Cycling Australia gold license and will be able to win medals and prizemoney as well as the generous entry and early-bird prizes. There is a total of \$23,000 in the the prizepool.

All the courses are within a couple of kilometers from the centre of the city so accessing them is quick and easy. The road course is also somewhat easier than Buninyong.

Griffith is renowned for our food and wines and our hospitality is up there too. We are holding a Celebration dinner after the road events on Saturday night. We will be celebrating the champions of course but we will be also celebrating the other prize winners, the friendships we make and the fact that you have travelled to join us. The dinner is included in the event entry.

So please check out the website for more information as we would love to see you here:

## AFL Grand Final

Yes we realize that the AFL Grand Final is on that weekend. The synergy with the Nationals was seen to be too inviting however so we went with that weekend.

The road races on the Saturday are being based at a licensed Sports Club that has tv's inside. It will be possible to watch the GF as long as you aren't out on the road racing.

Thanks for reading.
