

CCC Volunteer Recognition

We recognise that CCC is the sum of countless hours of volunteer work from many individuals over many decades. We acknowledge and thank those who have come before to make CCC what it is today.

This policy seeks to drive and reward volunteer participation into the future.

The purpose of this document is to transparently and clearly set out how CCC may recognise the contributions of its members and supporters who regularly and significantly contribute to the club.

Recipients of volunteer rewards will be determined at CCC committee meetings, and published to a rewards register on the CCC website.

To nominate a member for a reward raise it at a committee meeting or forward the nomination to ccc@canberracyclingclub.org.au.
